Guidelines for Activities

Our development factors suggested by National Education Policy 2020, we are collaborating with our partners to bring you a series of activities for deeper and more meaningful learning with our Smart Sprouts.

To ensure you get the most out of your time to spend with your child, we have designed a first class of the school which includes the assembly.

As a part of holistic development factors suggested by National Education Policy 2020, we bring in **fun, creative, collaborative, and exploratory activities** for students for deeper and more experiential learning with our Smart Sprouts—Skill Time.
